

Please do not take over current FM translator service.
I listen to a station that helps me when I am depressed
or feeling helpless. the station is K-LOVE.
The station "makes" my mornings. It is so upbeat and positive,
unlike other stations. We need K-LOVE. We don't need
any more of the top 40 song stations. The public
needs this variety or choice. It is about choice.
PLEASE DO NOT TAKE MY FAVORITE STATION AWAY!!!!
Many local people believe enough in this station to
donate money. Thank you.
